DRESS GUIDELINES FOR CAMP

Both boys and girls will be expected to wear modest clothing that exemplifies Christian attitudes. Those who wear immodest clothing will be returned to their cabins to change into more appropriate attire. For example, this includes (but certainly not limited to): spaghetti-strap tops, yoga pants, shorts that are too short, revealing shirts or pants, inappropriate slogans on any article of clothing, etc.

SWIMMING AT THE RESERVOIR

At the discretion of the camp director, campers may be given the opportunity to go swimming at a local reservoir and/or participate in water fights at camp. Campers should bring swimwear that is modest: girls, one piece bathing suits or two-piece suits that cover the midriff; boys, swimming trunks and shirts. The point is to not lead someone into temptation by the way we dress. Bikinis, skin-tight Speedo trunks, or any swimwear that does not properly cover the body is not allowed. At the discretion of the camp director or one of the pastors present, campers may be asked to wear a t-shirt over swimwear or not participate if appropriate swimwear cannot be obtained. Sr. Campers (high school) may be given the opportunity to go canoeing on one of the local reservoirs supervised by several counselors.

Hiking at Wyoming Lutheran Youth Camp

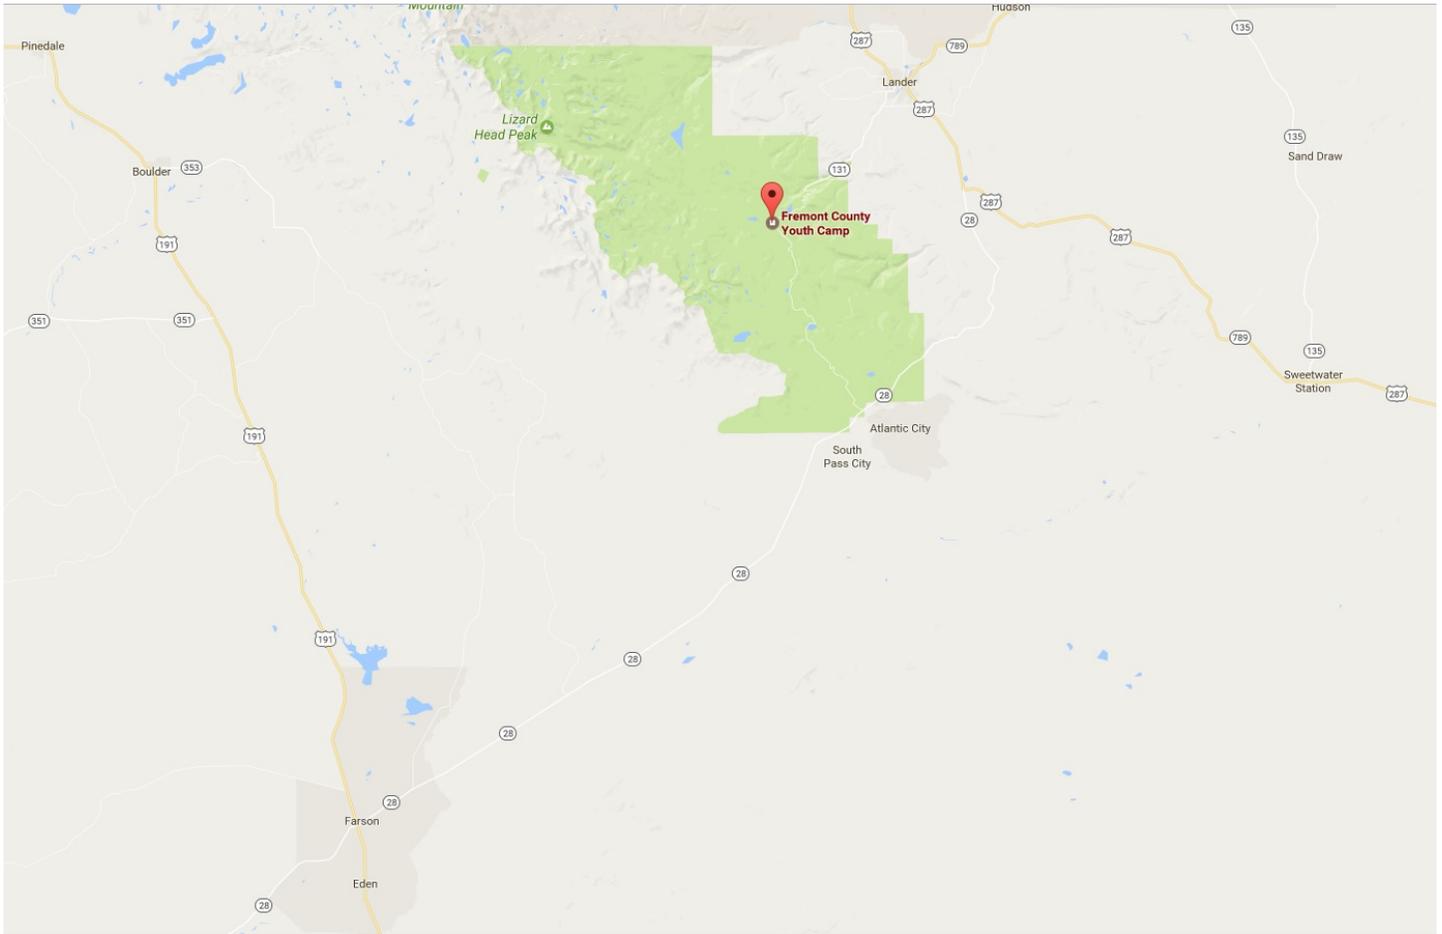

At the discretion of the camp director, campers may be given the opportunity to go hiking in the mountains surrounding the Lander Camp. Sr. Campers may be given the opportunity to go an all-day hike led by several counselors. Campers should bring sturdy hiking boots/shoes, a water bottle/camelback, backpack, sunscreen, and a hat.
